we will follow the collection procedure as set in the by laws .

Pier 99a \*\*\*

Contact Steve Conner about the easement and pier placement of pier 99a.

99a I have talked with Steve Conner about the easement and placement and Jason Nolley , Steve Conner is dead on allowing easement and placement of the pier but he is willing to meet with

the board and Jason Nolley about the matter.

There is a provision in the by laws thats says Mr. Conner can waive his liability Jason Nolley is willing to assume the liability and put it in writing if need be as well as draft a pier use rule for his renter when

the time comes if that is good for Mr. Conner.
