That wasn't the email, attached is the email that raised the red flags with me. Specifically, look at the November 15, 2016 email that you sent to Lindsey. You specifically say in the opening paragraph that it is strictly confidential and that is why I have not given it to the court or anyone else. If you look at the second to the last paragraph of that email, you say "I have sat in Steve Snyder's office with Bob Stine on several occasion" That is what really concerned me but I also had a duty to protect your confidentiality so the whole thing has really put me in a tight spot. I will not give this email to the other board members because I do not have the ability to waive the attorney client privilege, only you do. You can decide if you want to share it or not.
