COMMENTS: Dear Mr. Prasse,

Please be informed that my efforts at renewing the above captioned D&O liability coverage effective 3/28/18 have been difficult. The only quote I have had presented to me is considerable more premium than previously paid with the current carrier, approx. \$⁴⁰⁰3000. annual cost. This in addition to the Committee's O&L renewal cost of \$776.⁵⁰

As I have not yet had a confirmation from underwriting on the renewal of the above coverage at the above cost, please let me know if the Committee would like for me to continue pursuing the availability of this coverage.

I appreciate the opportunity to work with you, and I appreciate your assistance.

Thank you,
Chris Kohler, Esq.
